SUPERVISORY PATENT EXAMINER

Continuation of Substance of Interview including description of the general nature of what was discussed:

The Office Action dated 9/14/2007 contained a typographic error in the attached Office Action Summary indicating that the action is "non-final." As indicated on Page 11 of the Office Action, the examiner intended to make the Office Action a FINAL REJECTION. Doug Hutton, the Supervisory Patent Examiner of the examiner for this application, stated to Applicant that he should respond to the Office Action as a Final Rejection. Doug Hutton also stated that the proper corrections would be made at the USPTO to indicate the Office Action as being a Final Rejection.

For the record, Applicant does not accede to the positions taken by the USPTO and reserves the right to challenge those positions.
